Topic – Special Event Permit for the Main Bar

Lenzen made a motion seconded by Morgan to approve the special event permit for the Main Bar to serve alcohol at Riverside Park for the Roughrider Motorcycle Club on June 17, 2017. Lenzen commented he doesn't mind doing this on occasion, but it should not become a regular occurrence. Either we have a timeline and stick to it or don't have a timeline. Schulz commented it is the first time for the Main Bar. He mentioned the possibility of adding \$100 to the permit fee if a special meeting needs to be called. Discussion followed on police coverage. Roll call vote found Lenzen, Timmer, Morgan and Kelsch in favor.

Meeting adjourned at 12:10 pm.
