

BUSINESS SECTOR SIDEWALK IMPROVEMENT PROGRAM

SIDEWALK REPLACEMENT PROGRAM

Purpose: To Improve the Sidewalk in Business Traffic Areas

To Minimize Deterrent of Property Owners to Repair Their Sidewalks

Property owners seeking assistance under this program are required to secure a bid or cost estimate from a qualified contractor. Upon receiving the bid or cost estimate, property owners may apply for approval of a project on their property. If approved, the property owner would contract with the qualified contractor to have the work done and a 50% match will be provided to a maximum of \$1,500.

Reimbursement for the matching funds would be paid to the property owner after providing the billing document and proof of payment.
